

CV PETER POST, MANAGING DIRECTOR

Peter Post is Managing Director at Scholz & Volkmer and responsible for the areas of product and service design. He studied communication design at Wiesbaden University of Applied Sciences. Afterwards, he became partner in a design studio specializing in sound design and auditive communication. In 1995, he went to the Netherlands where he founded and lead interaction design departments at several Dutch design agencies. Dutch clients included KPN Telecom, TNT Post, Randstad, Dutch Police and Shell.

Since 2006 Peter Post has been Unit Director at Scholz & Volkmer. Clients include Leica Camera, Swarovski, ThyssenKrupp, ZDF, o2 and Philips. Peter Post lectures on Interaction Design and User Centered Design. Awards include red dot, ADC Netherlands and ADC Germany.
